

**His Excellency Matamela Cyril Ramaphosa
President of the Republic of South Africa.**

Your Excellency,

We, members of the Libyan National Popular Movement (LNPM), an organization made up of and supported by hundreds of thousands of patriotic and nationalist forces, loyal to the principles of the Great Al Fateh Revolution and the teachings of the revolutionary martyr, Muammar Al Qaddafi, extend our congratulations to Your Excellency and the African National Congress on Your Excellency's well deserved victory in the recently held General Elections in South Africa.

As Your Excellency are aware, the fraternal relations between the Libyan Revolutionary Committees Movement, now constituted in the LNPM, and the ANC were cemented many years ago in the struggle against the odious system of apartheid, eventually bringing about its collapse.

Your Excellency's installation as the fifth president of the Republic of South Africa, is fitting of one who has shouldered his responsibility not only as a militant trade unionist, but also as a globally recognized anti-apartheid activist and a true people's leader.

Your Excellency,

It is with such an unblemished track record, that we, the members and supporters of the LNPM, in our noble and patriotic struggle to liberate our homeland from foreign occupation, and to cleanse it of terrorist outfits, seek to enlist Your Excellency's active support through the African Union and with the support of all the Libyan patriotic and nationalist forces to realize the expulsion of all alien forces and the unity of our homeland.

In this respect, we look forward to having the opportunity to meet with Your Excellency to put Your Excellency in the reality of the situation in our country and to benefit from Your Excellency's ideas, wisdom and experience to help the Libyan people get out of this conspiracy-based tunnel.

We reiterate our congratulations to Your Excellency, Mr. President, on your elevation to the highest office in South Africa and extend at the same time our highest respect and deep appreciation.

**dr. Mustafa Zaidi
General Secretary of the Executive
Committee of the LNPM**
